

My Wayhmmm
save **???** lbs CO₂!

FACT: There are lots of different ways to save energy and the earth's resources.

ACT: Figure out your own way to reduce carbon by saving paper, electricity, gas or water. Take action and fill out the other side of this coupon to tell us what you did. *Become a cool conservationist just like me!*

Your friend,
Koda

My Wayhmmm

Name: _____

Grade: _____

My idea is _____

I pledge to do this all year
