

## Shower, Don't Bathe!

save **950 lbs CO<sub>2</sub>**  
a year!

**Fact:** Did you know that a bath uses 2X the amount of water as a shower?

**Act:** Take a shower instead of a bath and *you will get just as clean* and save carbon! If you lived up here, you would never take a bath, brrrrr!

Your friend,  
**Koda**

## Shower, Don't Bathe!

Name: \_\_\_\_\_

Grade: \_\_\_\_\_

I pledge to shower more than bathe  
all year
