

Sweep don't Spray

save **100 lbs** CO₂!

Fact: Every gallon of water we use has an environmental impact. It takes energy to pump, transport, and treat the water which arrives at your house.

Act: Use a broom instead of a hose to remove debris from your property and to clean your driveway. Plus you'll get to exercise some muscle!

Sweep don't Spray

Student Name: _____

Grade: _____

Parent Initials: _____

We pledge to sweep instead of
using H₂O

COOL the earth
