

Green Birthday!

save
up to

50 lbs

CO₂!

save
\$100

Fact: Birthday parties are lots of fun, but they can create a lot of trash.

Act: Talk to your parents about having a green birthday party this year. Use reusable dishware, earth-friendly wrapping, and goody bags filled with useful things.

Bonus: Ask your friends to re-gift cool stuff, rather than buying something new.

Your friend,
Koda

Green Birthday!

Name: _____

Grade: _____

I pledge to have a green birthday party
