

## Lose the Extra Fridge!

save **1,700 lbs** CO<sub>2</sub>!

**Fact:** Because it's operating 24 hours a day, 7 days a week, the refrigerator is one of the biggest energy hogs in your house.

**Act:** Eliminate the extra fridge or freezer in your garage. If you must have a second fridge, don't make the mistake of using an old one—*they are terribly inefficient!* Many towns offer free fridge recycling.

**save \$143**
