

# Take a New Direction

save **40 lbs** CO<sub>2</sub>

**Fact:** Only 14 million Americans use public transportation daily, while 88 percent of all trips in the United States are made by individual car.

**Act:** Take a family outing using public transportation. You'll save gas, money, and see things from a whole new perspective.

save **\$2,084**

**Tip:** Visit [511.org](http://511.org) to find connections and plan routes to events.

Your friend,  
**Koda**
